FREQUENTLY ASK QUESTIONS

1. Do I need to rent a specific location for the business to operate?

1. Not necessarily. You can rent a small co-working space—just enough to have a desk and a lockable drawer. That's all you need to get started.

2. How do I attract clients?

By following our marketing plan, you'll be able to reach clients from various sources and facilities. We'll guide you through the process step by step.

3. How do I recruit caregivers for adult clients?

We recruit through social media platforms and will show you exactly how to manage that process effectively.

4. How are operations managed?

We use the SmartCare app to monitor and manage employee activities and ensure operational control.

5. How do we get paid?

Ace Home Care Inc receives payment through multiple funding sources:

- Private Pay: Direct payments from clients and their families for personalized care services
- Insurance Reimbursements: Payments from private insurance plans that cover home healthcare services
- State Medicaid Programs: Reimbursements through state Medicaid waiver programs for eligible clients
- Veterans Benefits: Payments through VA programs for qualifying veterans
- Long-Term Care Insurance: Reimbursements from clients' long-term care insurance policies

6. What sets this company apart from others offering similar franchise services?

We conduct thorough market research, provide a comprehensive marketing plan, and bring 24 years of experience to the table. Additionally, we hold state certifications that validate our credibility and professionalism.
